ART DECO NAPIER

Discover the music, style, fashion and glamour of the Art Deco era!

17 ~ 21 FEBRUARY 2017

Do you sometimes think you were born in the wrong era and fancy stepping back to a time when life was more gentle and when women were elegant and so were the men! Well, join John, Karl and Lynette as we invite you to the famous Art Deco Festival in Napier.

The Art Deco Festival is something to experience and combining it with a group of musically minded, mad people, escorted by our mad singers makes it even more captivating and thrilling!

Everyone is dressed up. If you feel a bit nervous about dressing up and standing out in the crowd, don't be! In fact you are the odd one out if you don't dress up. Even down to the smallest child and teenagers, everyone gets into the spirit of the festival. Roads are closed off and the streets are filled with people wandering, with entertainers, bands playing and vintage cars. With the backdrop of the magnificent Art Deco buildings, the beach and the sound shell, like a time machine we are literally transported back to the 1930's!

We mix up our own special events with the local festivities presented by the Art Deco festival, ranging from private concerts, large scale dinner events, exclusive historic house tours, high tea parties and wine tastings – even a vintage car tour. We stay right in town which means we are located in the centre of it all. This means you can wander, rest, revel, whatever you wish!

This weekend is a lovely blend of fun, music, socialising and dressing up with Napier's Art Deco weekend and Operatunity combining in perfect harmony!

Please note that some activities are subject to change as we base this tour upon 2016 programming which we have been advised will be similar for the 2017 festival. As always we will replace with something of equal excitement and value if necessary.

We arrive from various places around NZ this morning. We store the luggage on arrival at the hotel if necessary.
