DESCRIPTION / VENUE INFORMATION

This is a wonderful community theatre which seats 210 people. It has 2 large foyers where lunch is served. The seating in the theatre is tiered so that everyone gets an excellent view of the stage but note that because of this there are a number of steps apart from the 2 front rows.

PARKING

Parking is available in the venue car park but parking is limited so get there early if you need to park close to the venue. You are able to come and drop off very close to the front door but are not able to park there. There is one front door which provides access into the foyer area.

MOBILITY ACCESS

Access is through the foyer and around to the front left hand side for Wheelchairs and walkers. There is a flat access to the front 2 rows for people with mobility issues and there are a number of wheelchairs spaces available. The theatre has a number of steps as there is tiered seating so you need to get there early if you require a front row seat and wish to avoid stairs. That means about 10.20 at the latest as these seats go very quickly!
