DAYTIME CONCERTS

PAPAKURA: HAWKINS THEATRE - 13 RAY SMALL DRIVE, PAPAKURA.

DIRECTIONS

If you are driving from the city take the Papakura turn off of the Southern Motorway. Turn left into Beach Rd and then immediately left again into Elliot St. First right is Ray Small Drive. The venue is beside the bowling club and in front of the Papakura RSA.

DESCRIPTION / VENUE INFORMATION

This is a lovely modern theatre which seats 260 people. It has a large foyer where lunch is served. The seating is tiered so that everyone gets an excellent view of the stage but note that because of this there are a number of steps apart from the back row which is reserved for those with mobility issues.

PARKING

Parking is available on the street (Ray Small Drive) but the main parking is behind the building which is accessed from Eliot St. There is a front door which provides access from the street and a back door which provides access from the car park. There are steps on the back door route but the front door route is all flat.

MOBILITY ACCESS

Access through the front door is best for those on walkers or in wheelchairs. People can be dropped at the street and it is a short walk to the front entrance all on the flat. Wheel chair access to the actual theatre is down a ramp and through the side door but you need to use the front door first to access the ramp. Parking on the street is limited but is more ideal for those on walkers etc so you need to be early to get a park. The theatre has a number of steps as there is tiered seating so you need to get there early if you require a back row seat and wish to avoid stairs. That means about 9.45 at the latest as these seats go very quickly!
