Thank you very, very much for the wonderful trip. We saw so many fabulous places and did great things together. Your organisation was outstanding and your care for us all, especially the sick and injured, was so, so great. Most of all the way you gave us your company and the way you treated me as a friend was very special to me and made the whole trip fantastic.

Eileen, Canada / Alaska

I just felt I had to write to thank you for what I feel was more care and consideration than anyone could expect from a tour leader. Your empathy and concern for me personally was exceptional and something I'll never forget. What a wonderful tour we had!

For me it was my once in a lifetime experience.

Bev, Canada / Alaska

To all our Operatunity friends, to visit Norfolk Island again after 45 years was great fun, but to return with Operatunity was to raise the experience to a whole new level. Thank you all for the hard work you must have contributed to arranging the programme, we will never forget. What a fantastic group of friends you are to give us so much laughter and enjoyment with the lovely music and fun we all had together.

Brian & Ann, Norfolk Island.

A note of appreciation and sincere thanks for the wonderful trip to Sydney and Melbourne we had. The organisation, choice of accommodation, shows and outings was amazing. Everything was all made so easy for us, but behind the scenes I know there must be a lot of work for you both. Tony and I could definitely be starters for another trip – if we don't run out of money and you don't run out of energy!

Janice, Sydney / Melbourne

Just a note to tell you how much I enjoyed my first trip with Operatunity. I couldn't have had a nicer group for my first trip solo. I was nervous but determined to give it my best shot and was not disappointed. Thank you for the excellent planning and organisation and for being such charming hosts.
