### MODERATE TOUR

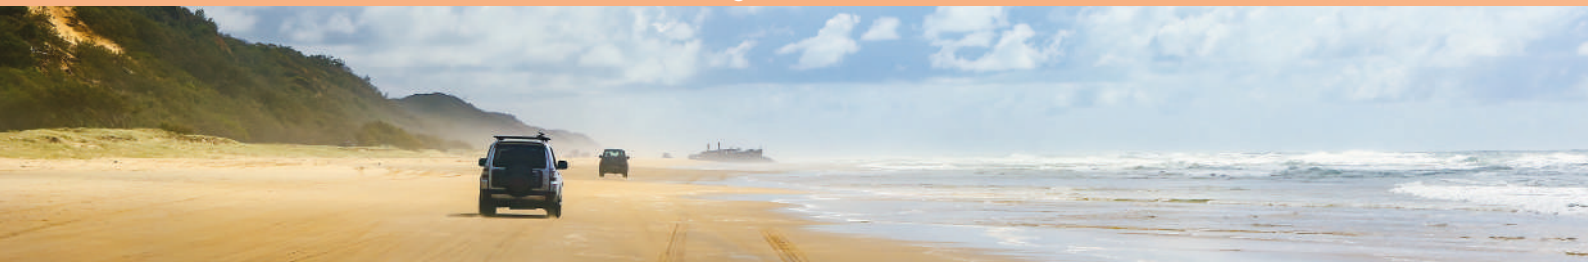

All our trips are specifically designed for our core market, but this trip does contain travel challenges, either because of the region visited or the walking distances or uneven surfaces that arise at some sites. We do advise that you evaluate your level of fitness with your doctor before you consider booking this tour.

This trip has a little more walking than an easy tour. It is a moderate tour for one of the following reasons - you may need to walk with ease for up to one hour at a slow pace or be able to climb stairs or be able to get on and off boats, trains and buses.

This tour does include a 4WD tour over rough terrain. This trip will not suit those on walkers and a moderate level of mobility is required.
