

Spotlight Tours

Norfolk Island Music Festival - 23 February - 1 March 2020

Enjoy a week of stunning musical events, led by **Marian Burns, Sue, Bonnie, Karl**, singers and band. We entertain you against the backdrop of Norfolk, a subtropical island, where natural beauty combines with a turbulent convict history and the famous mutiny on the Bounty.

In the Footsteps of the Pharaohs - 6 March - 29 March 2020

Join **John and Karl** on a journey to the land of the pharaohs as we take you on a comprehensive tour of the greatest sights of Ancient Egypt. We travel through Egypt with sights beyond imagination and history encapsulated at every turn, all done with the beauty, leisure and the glory of a bygone era.

Southern Lakes and Fiords - 9 November - 13 November 2019

Imagine a place where the only sounds are birds and the rustle of trees as we begin our two very special events, *Classical Sounds of Silence* and the next evening, *Music for Romantics*. We begin in silence and then the lovely Jess starts playing her violin and our soloists gradually start to sing.

We are privileged to announce New Zealand's premier concert pianist Stephen De Pledge will be joining us on our Southern Lakes and Fiords tour, along with our three tenors and string trio. A journey of peace, beauty and spiritual stillness, Stephen is sure to add another layer of magic to this wondrous adventure.
